Classes will meet during the time periods listed above. Students are expected to attend all of their scheduled classes EXCEPT for study halls and scheduled PE classes. Teachers will inform each class of their plans for the end of the semester. Some teachers have scheduled exams, while others have projects or presentations planned. The schedule was arranged to lessen the number of students having more than two exams per day. If a student finds that he/she has more than two exams in a day, the student should work with his/her teachers to request assistance in resolving this problem. Teachers are understanding of this issue and very willing to help.

Students will not be allowed on the second, third or fourth floors during exam periods. If a student arrives to school after an exam period has started, they must wait on the first floor until the passing period, or be escorted to their locker under the direct supervision of a teacher or an administrator.

The student lounge and kitchen are available to students for quiet study and quiet conversation. The Uni Library is available to students for quiet study. Students should access the library via the south stairwell. Signs will be posted around the building designating the hallways as QUIET ZONES.

Students must remain in their classroom for the entire exam period. If they complete the exam before the end of the period, they may study for another exam or read a book. Students are not allowed to go to their lockers to get materials except during passing periods.

There is not a designated lunch period during exam days. The time between exam periods is for students to relax and eat if they choose to do so; talk with friends or leave the building. Students typically stay in the building but have the flexibility to do as they wish. Students should use the time between periods to visit their lockers and collect any materials they may need for the next exam period.

OPEN GYM – All students must be recorded as having participated in 30 minutes of OPEN GYM sometime during the exam period. Open Gym hours are as follows:
