**Uni High School's Multicultural Parent Advisory Group actively challenges the history of inequity in the education of gifted and talented students and supports a culture of equity in the Uni community.**

### ***We are committed to:***

- \* An open and inclusive community that values diverse viewpoints and cultivates a desire to understand and expand social awareness.
- \* Respect for racial and ethnic diversity, national origin, religion, sexual orientation, political views, and socioeconomic differences.

We honor our commitment by advising, facilitating, and supporting Uni in its efforts to broaden admission policies, hiring practices, professional development, curriculum, and an inclusive school culture that demands equity as an essential component of a quality education.

***We want your views to be heard.*** We meet on Mondays on a monthly basis, with our next meeting on May 21, 2018, 5:30 to 6:30, in Room 109. We welcome family members, students, faculty, staff, and community.

This year, we supported: a winter social for families and staff; a film screening and discussion; Uni summer camp; Agora Unleashed conversations; Agora Days course option; the faculty's Integrated Unit on Race; student voice; and community events and dialogues consistent with our mission.
