Summer Enrichment Camp 2022

The Uni High Summer Camps support diversity and welcome students from all backgrounds and ethnicities, including those from populations that are typically underrepresented at the university/college level. Camps are open to students entering 5th, 6th or 7th grade.
About Uni High
Uni seeks to motivate talented young people and positively influence the larger education of the community.

Uni Summer Camp
Uni Summer Camp Classes are taught on a wide variety of subjects by school faculty, students, and community volunteers.
