

Barbara Lazarus '63 Memorial Fund

The University of Illinois Laboratory High School graduating classes of 1961, 1962 and 1963 have established The Barbara Lazarus '63 Memorial Fund to encourage, facilitate and support the study by girls at the secondary school level of science, technology, engineering and math (STEM). The goal of those who have initiated the fund, is that the school will use the fund for scholarships, stipends, programs, and research projects or grants that will meet the fund's goals. \$3,300.00 to \$5,000.00 per year for an estimated 10 years (this is a "spend down" fund, but additional donations may add to fund availability.)

Girl students at Uni may apply for assistance toward expenses related to conferences, activities, programs, or research to encourage, facilitate and support the study by girls at the secondary school level of science, technology, engineering and math (STEM). The goal of those who have initiated the fund, is that the school will use the fund for scholarships, stipends, programs, and research projects or grants. Applications will be received on a semester basis, according to the following schedule:

	1 st Semester	2 nd Semester	
Advancement Director announces availability of Lazarus Scholarship	9/1	2/1	
Semester Application Deadline	10/1	3/1	
Scholarship Decision Made by	10/15	3/15	

The Administration Team will review Lazarus Applications during each academic semester in the school year, and make recommendations to the school director.

Award Applications are available on the Uni Website under resources/forms. Completed applications should be given to the Associate Director. Each application* must include a recommendation letter from a teacher in the Computer Science, Math or Science department. The Administration Team reviews the application and makes recommendations to the Director about whether to grant the scholarship and determine the amount of the award. Once the decision has been made the Associate Director will notify the University of Illinois Laboratory High School Business Office, the Director of Advancement and the award recipient, as well as the Lazarus and Sirbu families and George and Mary Louise Frampton and those who established the Barbara Lazarus '63 Memorial Fund.
